### INSTRUCTIONS FOR ZAZEN STREAMLINE SHOWER FILTER CARTRIDGE

- STEP 1** With the **zazen Streamline Shower Filter** simply unscrew the filter chrome outer case **clockwise** and remove the existing shower filter cartridge by pulling it firmly out of place.
- STEP 2** Place the new filter cartridge inside - push down into place.
- STEP 3** Now gently screw the chrome outer case **anti-clockwise** so it is tightly secure.
- STEP 4** Turn the shower on cold for 30 seconds to flush the new cartridge; it will then be ready to use.

**Green Filtration** You can recycle your used shower filter cartridge. *All zazen Shower Filters are 100% recyclable, we use Green Filtration Media, which breaks down without harm to the planet or our health.*
