

# Draw this Minstrel in 5 easy stages

## STAGE 1

Begin your drawing by outlining your minstrel in red brown on to smooth paper...

## STAGE 2

Lightly shade and hatch your drawing with the red brown and sepia pastel pencils, without dwelling on any particular area.

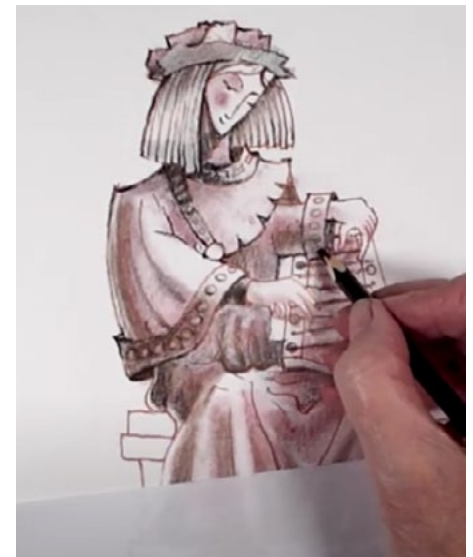

## STAGE 3

Add some new layers of midtone with the gray pastel pencil, and blend.

## STAGE 4

Intensify the minstrel drawing by applying black pastel pencil for shadows and details. Blend.

## STAGE 5

Finish off with a final blend, and a quick touch up with black pastel pencil.

Remove any unwanted smudges with the kneadable eraser.
