

Washable Vet Gown Long Sleeve

MX1034

Made in New Zealand. Perfect for the veterinary industry - these fabrics are non-linting and have excellent filtration efficiency. Durable and lightweight for layering over your clothing or scrubs to protect from liquids and hair.

The gown offers full coverage with a high round neck, long sleeves finished with knitted cuffs and gown length below the knee. At the back it features 2 ties, one at the neck and one at the waist, with fabric overlapping for protection.

Not only that - they are comfortable and breathable to wear. No pilling or damage caused when washing, ensuring a long service life!
