

How to draw this colorful blue eye in 5 easy stages

STAGE 1

Begin this colorful eye drawing by outlining in black on to smooth paper...

STAGE 2

Using various shades of blue and teal, start applying subtle layers of 'make-up'...

STAGE 3

Now you have established a colorful base, begin adding the black 'mascara' lashes...

STAGE 4

Now intensify the drawing with more layers of 'eye shadow' and lash. Add the wisps of eyebrow. Note subtle coloring and 'reflection' within the iris...

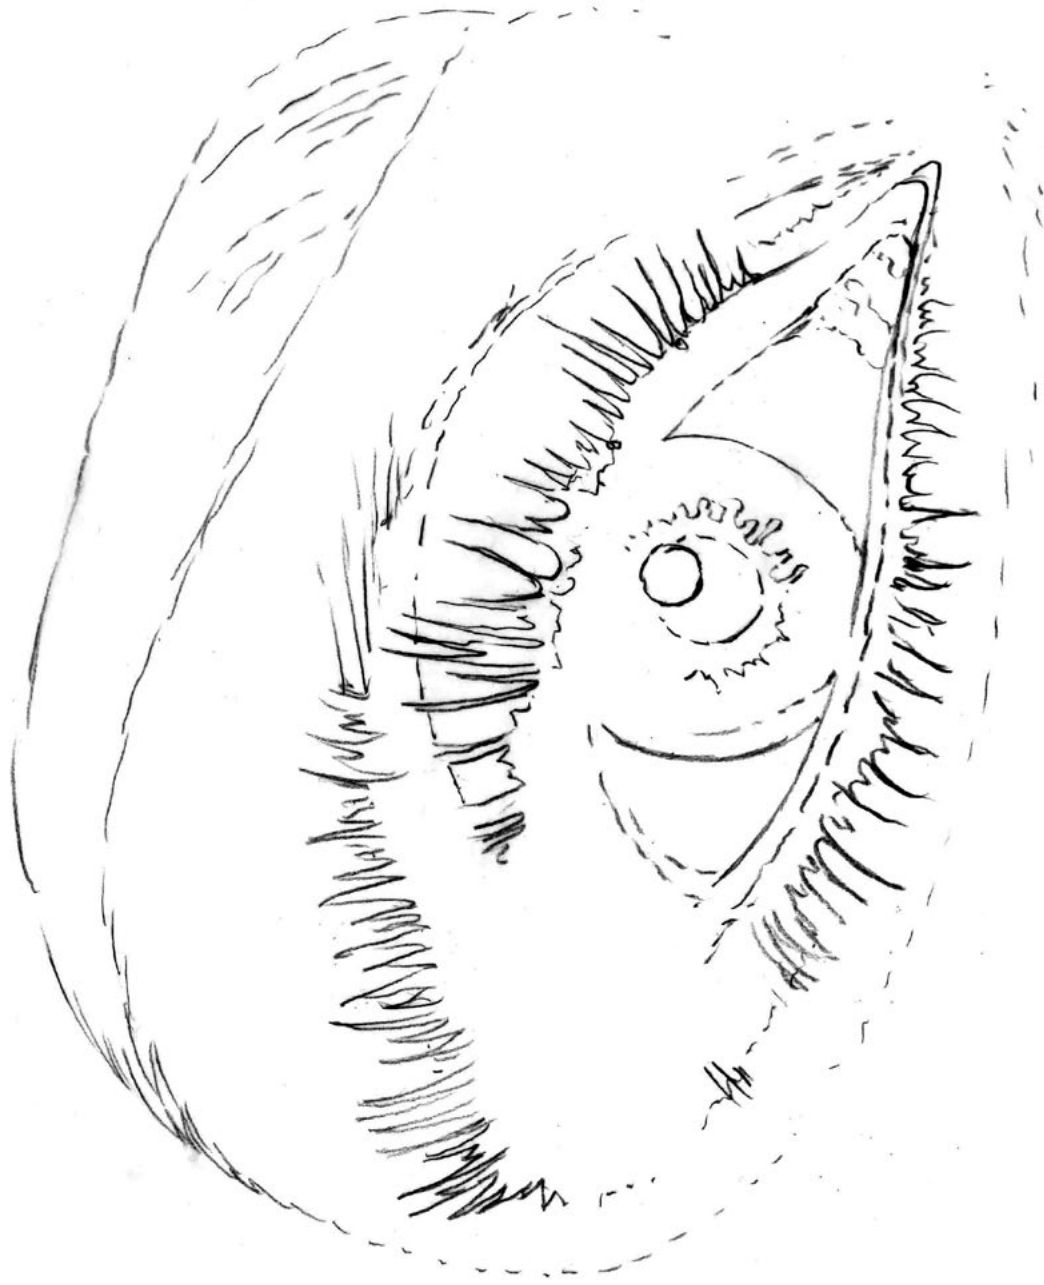

STAGE 5

Complete your drawing with those final details in black, and some deft touches of crimson in the corner of the eye.

Choose your own color scheme then share your version of the colorful Eye drawing on Facebook or Instagram #castlearts
