Morvah Small Ceiling Hanging Planter

Ash -£145

Summon nature inside, transform space. The pinch of a potter's hand, the sculpting skill in a steam benders twist. Where traditional craftsmanship and innovative design fuse, The Green Range breathes new life.

Signature, singular, strong. A steam bent piece of solid ash loops around and embraces a hand-glazed earthenware planter bowl creating a unique, ceiling hanging feature.

Inspired by nature, shaped by steam, curated by you.

Care information	<ul style="list-style-type: none"> <li>Caring for the earthenware bowl We have designed a striking set of earthenware bowls for our Green Range featuring a hard-wearing proactive glaze on the inside and a unique matte glaze on the outside, known as Engobe. Any fibres on a cleaning cloth will stick to the outside surface more easily due to this beautiful finish. We suggest you clean both the interior and exterior surface of the pot by gently wiping away any marks using warm soapy water and a lint free cloth. Once the pot is clean, gently dab dry using a soft, lint free cloth or towel.</li> <li>Caring for the wooden structure The wooden strap should be dried straight after watering or misting the plants whilst in place. This will help maintain the appearance of the wood by eliminating water stains. Simply wipe dry with a lint free cloth after watering.</li> </ul>
