Act for planet

Winemaker's note

More than an organic wine, Autrement is first and foremost a premium wine meeting the stringent quality requirements common to all the wines Gérard Bertrand. Such constant quality is ensured by the blending of the different terroirs. This range fully expresses Gérard Bertrand's commitment to the environment, recognised by the ECOCERT certification, guaranteeing organic production, a benchmark label for French consumers (85% brand recognition in France), with eco-friendly packaging (labels in recycled paper, untreated cardboard and natural Procork corks). This range is part of our policy of sustainable development focused on preserving our wine-growing landscapes and the drive for a style of farming which respects biodiversity. Ardent defenders of ecology, people enjoying "healthy products", wine-lovers and gourmets looking for new sensations will all find that the Autrement wines live up to their expectations.

Winegrower's note

The berries are harvested once they have reached optimal maturity. As soon as they arrive in the cellar, the grapes are immediately pressed to extract the best juices. The juice is left to cold for 48 hours. A small quantity of the must is vinified in barrels while the rest is placed in thermo-regulated stainless steel vats to preserve the freshness and fruitiness of the wine. Controlling the temperatures preserves the freshness and integrity of the aromas. The wine is lightly fined, then bottled.

Tasting notes

A beautiful, deep, golden yellowish colour, bright and clear. The complex floral bouquet reveals flowery perfumes, complemented by buttery notes and notes of fresh fruit. The nose offers notes of honey and vanilla. Nicely balanced and fairly powerful on the palate, it remains suave and unctuous with flavours of yellow and exotic fruit.

Serve at 12°C with shellfish, scallops, fish either grilled or in sauce, like grilled bass or bass in lemon butter, or white meat.
