

HÉRITAGE 1130 – CITÉ DE CARCASSONNE 2019

IGP Cité de Carcassonne

Héritage

Winegrower's note

1130 is a tribute to the earliest fortifications in the city of Carcassonne, a medieval gem and UNESCO World Heritage Site. The vineyard enjoys both oceanic and Mediterranean influences, adding freshness and fruity aromas to the wine.

Winemaker's note

Harvest takes place early in the morning when the temperature is at its lowest in order to preserve the integrity of the aromas on these delicate grape varieties. The grapes are quickly transported to the cellar and the juice is immediately extracted by a delicate pneumatic pressing. After cold settling, fermentation starts and temperatures are regulated between 14 and 17°C. After a fermentation of about 15 days, the wines are racked and aged.

Tasting notes

A bright straw yellow colour.

On the nose, intense aromas of nectarine, acacia, coconut and hazelnut shine through.

It is rounded and full on the palate with beautiful exotic notes and a lingering mineral finish.

Ideal at 10-12°C as an aperitif, with grilled fish or white meat.
