Winemaker's note

Narbonne, the 'first daughter' of Rome founded in 118 BC, has exported its wines to Europe since ancient times. Its vineyards benefit from exceptional climate conditions and a limestone-clay terroir that allow the grapes to ripen perfectly.

Winegrower's note

Once harvested, the grapes pass through a sorting table before being sent to the pneumatic press. After a light settling, the wines ferment in temperature-controlled vats.

After maturing 6 months on fine lees with regular stirring of the lees, the wine from the best vats are blended to make up this cuvée.

Tasting notes

A pale gold colour with hints of green.

Intense and fresh on the nose with grapefruit and pineapple aromas.

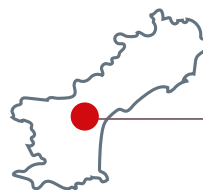

Fresh on the palate with beautiful lemony notes and an invigorating finish.

Ideal at 10-12°C with seafood or Mediterranean salads.
