

L'ÉLIXIR DE CIGALUS

Eau de vie de fruit

Spirit of the place

Winemaker's note

The elixir of Cigalus was born from the meeting between Gerard Bertrand, a specialist in Biodynamic wines, and Ziegler, a world-renowned distillery, as well as from the desire to create together an excellent fruit brandy. This alliance gave birth to a unique and rare product, it is the symbiosis of spirit and matter for a moment of eternity!

Winegrower's note

Coming from the best terroirs of Cigalus, this blend of Merlot plots was vinified on the estate, distilled and matured in oak barrels at Ziegler for 12 months.

Tasting notes

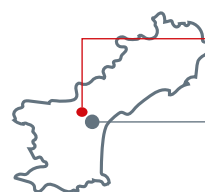

Suave and concentrated thanks to the perfect maturity of the grapes from Cigalus. Subtly woody notes perfectly integrated with the fruit thanks to the maturation in barrels of two Cigalus wines.

To taste with chocolate.
