

RÉSERVE SPÉCIALE CHARDONNAY

IGP Pays d'Oc

Creations

Winemaker's note

Gérard Bertrand is passionate about the Mediterranean Art de Vivre and is a specialist producer of premium wines from the south of France. In his Réserve Spéciale range he reveals the elegant, generous array of fruity flavours produced by the very best terroirs in the region. The exceptional terroirs of the Languedoc enjoy optimum sunshine and low rainfall, bringing out all the complexity of the region's emblematic grape varieties and thus producing top-quality wines.

Winegrower's note

The grapes are picked by hand and de-stemmed before going into the vats for maceration lasting 10 to 15 days. Pumping-over operations extract the best out of the skins prior to pressing. Some of the wine is matured for 10 months in barrels before being bottled.

Tasting notes

The particularity of this grape variety lies in the nobility of its aromas and the delicacy of its wines. Fresh and tasty, this 100% Chardonnay comes from coastal vineyards offering fresh notes of citrus fruit, ripe apple and white flowers that can be found on the nose as well as on the palate. This delicate wine is lively and delicate.

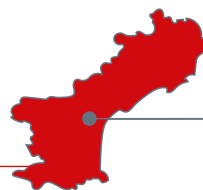

Serve between 10 and 12°C with shellfish, grilled peppers or chicken served with almonds
