

SOLAR 6 CHARDONNAY

IGP Cévennes

Act for planet

Winemaker's note

Solar 6 is a wine from organic farming certified "AB" and "Bee Friendly", a label that aims to protect bees and pollinators. In an alarming context of the increasing disappearance of pollinators, beekeepers have initiated the creation of the European "Bee Friendly" label in order to identify agricultural practices that respect the preservation of bees. The name of this range of round and fruity wines, Solar 6, pays homage to the solar terroirs of the South of France where these wines are made. It also evokes the first flight of recognition of bees, the "fireworks sun", and the symbolic number of these pollinators, 6.

Winegrower's note

Situated in the north of the Gard, at the foot of the Cévennes, the Cévennes hills and the Ceize valley, the south-facing vineyard plots, with their clay-limestone nature, allow the expression of beautiful grapes to give the typical characteristics of Chardonnay. After sorting the harvest, the grapes are placed in thermo-regulated stainless-steel vats before being aged on fine lees.

Tasting notes

Fresh and fruity, this Chardonnay cuvée celebrates the sunny terroirs of the South of France, offering elegant notes of white flowers and peach.

With a pale colour with green reflections, this Chardonnay has a typical and fresh nose, expressing aromas of ripe citrus and exotic fruits. On the palate there is a lively attack with a dense mouth and notes of buttered and toasted bread.
