FINISH > Engineered Wood Panels with Painted Satin Finish

The Elora End Table combines the traditional aesthetic of classic beadboard cabinets with solid craftsmanship and muted, contemporary hues to create a distinctly modern design. Featuring a smooth satin finish, a delicate brass-plated handle, and a precision-cut door on an elevated platform, the Elora End Table provides ample storage within a minimalist, contemporary form. Part of the Elora Storage Series, this End Table matches perfectly with the Elora Cabinet and Media Stand.
