

Spencer Loft Bi-Sectional

Seat Height 17in | 43cm
Seat Depth 23in | 59cm

UPHOLSTERY > Fabric
BASE > Stainless Steel or Walnut Finish

Part of our LOFT Series, this compact sectional has blind-tufted seat and back cushions. This sectional is cleverly designed to allow the chaise to be positioned on the left or the right, so it can adapt to any room layout. Alternatively, the chaise can be easily separated to create a sofa and a free-floating lounge. It includes two square side cushions and your choice of a perimeter stainless steel base or solid, tapered walnut finish wood legs. The frame is constructed with kiln-dried 100% FSC®-Certified hardwood in support of responsible forest management.
