BASE > Solid Ash in Walnut or Natural Finish

A modern update to the classic Gus* Modern Jane Series, the Jane 2 Sofa retains the iconic, mid-century look while adding contemporary enhancements. Piped upholstery edges and button-tufted cushions create photogenic surface details that are enhanced by Jane 2's new, more refined proportions. A new wood base (available in light or dark wood finish) is inset on each piece, creating a sense of weightlessness that maximizes light and space. The frame is constructed with kiln-dried 100% FSC®-Certified hardwood in support of responsible forest management.
