With an elegantly upholstered tub-style form, the Radius Task Chair is office furniture that captivates with its casual sophistication. Centering a stylish aesthetic and welcoming feel, Radius makes no sacrifices in function: adjustable height, swivel ability, and an option to configure with rolling castors or stationary feet make it the perfect addition to the modern workspace.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit guscontract.com for more information about our Trade & Contract programs.

Radius Task Chair

- Fixed back and seat cushion.
- Height-adjustable via a gas lift mechanism.
- 360 degree smooth swivel rotation.
- 5-star base is powder coated steel.
- Ships with a set of castors and a set of stationary feet. Choose between the two and convert one to the other as needed.
- Manufactured to meet California TB117-2013 fire safety standards without the use of flame retardant additives in the upholstery foam.
- All fabric is California TB117-2013 certified and double rub tested
- ANSI-BIFMA Compliant.
