

Array End Table

Black

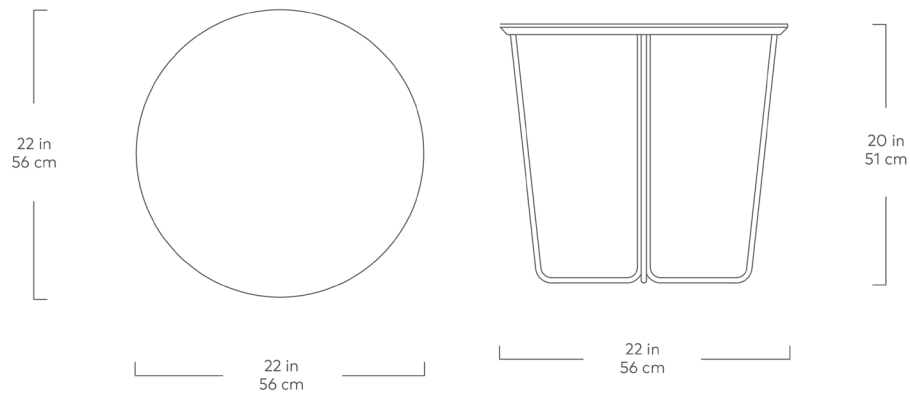

White

The Array End Table features an elegant, geometric base that repeats around a central axis to create a contemporary accent design. The circular top has a beveled, exposed-ply edge and a durable, laminate surface. Designed to nest perfectly with the Array Coffee Table.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit guscontract.com for more information about our Trade & Contract programs.

Array End Table

- Durable laminate top is precision cut on a CNC machine.
- Exposed plywood beveled edges on the table top.
- White or Black powder coated metal rod base is bent in a unique pattern.
- Plastic bumpers on base to prevent floor damage.
- Not recommended for seating purposes.
- Designed to nest perfectly with the Array Coffee Table.
- Wood is a natural material, with variations in grain pattern and colour that make each design unique.
