Walnut

The Wave Stool smooth, flowing lines are an ode to the waters of Canada countless lakes and rivers. The cut edge reveals layers of exposed-ply, and the stool wide curve allows for a generous and accommodating seating area. Small-scaled and extremely versatile, the Wave Stool is perfect in living rooms, bedrooms or front hallways.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit gusmodern.com for more information about our Trade & Contract programs.

Wave Stool

- Layers of plywood are pressed and molded into a 'wave' shape and finished with a real wood veneer.
- Clear coat finish.
- Features exposed plywood edges.
- Wood is a natural material, with variations in grain pattern and colour that make each design unique.
