

Leo

With a soft textural base, Stevie is hand knotted from wool by artisans in Afghanistan. Framed by a cotton fringe, each rug is hand crafted with varying pattern, tone and size. Stevie is available in two colourways – Camel and Peach. The peach colourway has a soft peachy base with highlights of burnt orange.

Product Details

Pile Composition 100% New Zealand Wool
Warp/Base Composition Cotton
Manufacture Details Hand knotted - Persian Knot
Country of Origin India
Pile Height 10 mm
Custom Production Lead-time 16 – 20 weeks + local freight lead time
Suitability Indoor, residential & light commercial

 (Maximum size upon inquiry)
 79 x 118", 98 x 138", 118 x 157", custom sizes available

Available Colours

Ash

Blush

Care Instructions

Spot Cleaning

Treat any liquid spills immediately. Place a clean cloth or unprinted paper towel directly on the liquid to absorb the spill. Following this use a clean cloth, dampened with water and dab the affected area, do not follow a circular motion, simply dab and blot. Absorb any excess moisture after cleaning with a clean dry cloth or towel. For dirt marks, such as soil, simply allow the soil to dry and vacuum. If spills or marks remain, contact a professional rug cleaning specialist.

Professional Cleaning

After time your rug will require professional cleaning. Any persistent or large stains will also require professional cleaning. Do NOT dry clean or steam clean rugs. Each Jardán rug is unique, and made of different fibres, we recommend contacting a professional rug cleaner who specialises in hand made rugs or contact Jardán for a recommended specialist cleaner.

Shedding & Lose Fibres

All rugs may shed and have loose fibres. Shedding will take place mostly in the 1–6 months of the rugs lifetime, but will slow over time. High traffic areas may always have a small amount of shedding. Simply vacuum any shedding fibres. For loose threads or ends - do not pull, simply clip them carefully with fabric scissors.

Care & Maintenance

The positioning of your rug will have an effect on the longevity and appearance of your rug over time. Avoid direct and continuous exposure to sunlight. Vacuum regularly to prevent dust and crumbs from settling into the pile. Rotate rug occasionally to equalize wear.
