

Perf File Cabinet

Gus*

FINISH > Black or White Powder-Coated Steel

Combining playful detail with serious storage capability, the Perf File Cabinet offers simplicity in both form and function. The lockable, three-drawer file cabinet features ample space for documents and personal items, including a top-drawer tray for smaller stationary items. Castor wheels and a compact design allow it to glide effortlessly under standard desks like the Envoy Desk, making it easy to keep your space open and tidy. A delicate perforated detail adds subtle interest to this sleek and classic piece.
