MATERIAL > 100% Jute

The Harvest rug is a hand-braided, natural floor covering, which combines golden jute strands with contrasting thread options to create a relaxed, bohemian design. Versatile and durable, this rug will adapt to many different interior styles, providing a subtle foundation of colour and texture to any space. Handcrafted in India using 100% jute, it is available in two sizes and two colourways. Perfect for entryways, living rooms and bedrooms.
