

58-6120

Ultra-lightweight 18 Gauge Cut A9 Nitrile Micro Foam Coated Glove

Our most exciting innovation for 2020. Delivering the highest-level cut resistance in the finest, lightest gauge knit glove, the 58-6120 is the impossible made possible.

As cut resistance specialists we constantly strive to deliver high level cut protection in a solution that feels truly wearable, soft, comfortable, and tactile through our Rhino Yarn technology.

Combined with incredible ANSI A9 cut protection our new micro foam nitrile palm is tough and durable providing superb dry and oily grip with 360 degrees breathability for all-day comfort.
