

58-3710

Ultra-lightweight 18 Gauge Cut A3 PU Coated Glove

Engineered to deliver the optimum in comfort, grip, durability and value the multi-purpose range is designed specifically for applications requiring A3 cut resistance.

The 58-3710 is a robust PU palm coated ultra-lightweight 18-gauge glove and ideal for use in intricate assembly, automotive, aerospace, construction, and all types of manufacturing.

Combined with ANSI A3 cut protection and a tough, durable PU palm the 58-3710 is excellent for dry and oily grip with 360 degrees breathability for all-day comfort.
