

58-2220

Ultra-lightweight 18 Gauge Cut A2 Nitrile Micro Foam Coated Glove

New innovation for 2020. Delivering A2 cut resistance in the finest, lightest gauge knit glove available

As cut resistance specialists we constantly strive to deliver cut protection in a solution that feels truly wearable, soft, comfortable, and tactile through our Rhino Yarn technology.

Combined with ANSI A2 cut protection our new micro foam nitrile palm is tough and durable providing superb dry and oily grip with 360 degrees breathability for all-day comfort.
