

58-4120

Ultra-lightweight 18 Gauge Cut A4 Nitrile Coated Glove

The 58-4120 represents the next generation in our innovative range of cut resistant gloves. Delivering level A4 cut resistance it is the first in a new family we have designed specifically for this category.

Providing good all-round mechanical protection, durability, and grip in a form-fitting, ultra-lightweight 18 gauge, you no longer have to choose between protection and dexterity.

Combined with the ultimate in fingertip touch sensitivity and tactility, the unique foam-flex palm coating ensures a tight grip and superb handling of even the smallest components.

Foam-flex nitrile palm delivers excellent dry and oil grip
