

53-4110

Lightweight 13 Gauge Cut A4 Poly Coated Glove

The 53-4110 is the latest addition to the Tilsatec range of high performance cut resistant hand protection.

Made using our Rhino Yarn™ technology to deliver cut level A4 protection in a highly durable 13-gauge glove it is designed for use in high action environments such as metal fabrication and assembly requiring hand protection built tough.

The durable PU palm coating keeps hands protected whilst delivering a secure grip in dry and slight oil conditions.
