LION BRAND® WOOLSPUN SIMPLE SHAWL

BEGINNER

SIZE

78" x 32"

MATERIALS

• LION BRAND Woolspun

- 4 skeins #149 Slate Grey or color of your choice
- Size 15 (10 mm) - 29" circular knitting needle

GAUGE

Gauge is not important; however, the shawl should be "drapey".

NOTE

Shawl is knit entirely in garter stitch (knit every row).

SHAWL

Cast on 3 stitches.

Row 1 Slip first stitch as if to purl, yarn over, knit across.

Repeat Row 1 until last skein is nearly gone.

Tip When you are nearly out of yarn, finish your row. Then measure the remaining yarn against your last row. You will need 3.5 to 4 times the length of the last row in order to have enough yarn to bind off successfully.
Bind off.

Woolspun (Article #370) comes in 100 yd skeins
