8 single crochets = 4 inches (10 cm).

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

SCARF

Make a slip knot and chain 13 loosely.

Row 1 Single crochet in second chain from hook and in each chain across = 12 single crochets.

Row 2 Chain one, turn. Single crochet in single crochet next to hook and in each single crochet across.

Repeat Row 2 for pattern until skein is used up, ending with a complete row. Fasten off and weave in ends.
