GAUGE:

16 sts and 24 rows = 4"/10cm over St st (k 1 row, p 1row) using size 8 (5mm) needles. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

Making a Gauge Swatch

CAPELET

Cast on 112 sts and work in St st in the following stripes: 3.5"/9cm (or 14 rows) each in colors A, B, C and D. Bind off all sts with D. Fold piece in half widthwise with wrong side facing out to make a 14"/36cm square. Sew through both thicknesses across bound-off edges for 8"/20.5cm, leaving 6"/15.5cm open for neck.
