Work next stitch under loops of that chain. Insert hook under 2 loops at bottom of the previous stitch, draw up a loop, yo and draw through 1 loop, yo and draw through 2 loops. Repeat for length of foundation.
sc2tog (sc dec) Insert hook into st and draw up a loop. Insert hook into next st and draw up a loop. Yarn over, draw through all 3 loops on hook.

Changing colors Colors are changed on the last loop before actually beginning to work with the new color. For single crochet, yarn over and draw up a loop (2 loops on hook). Tie on new color and pull that color through both loops, dropping old color to wrong side of work.
