#### GAUGE:

19 sts and 32 rows = 4" [10 cm] over garter stitch (k every row) using smallest needle size. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

Making a Gauge Swatch

#### PONCHETTE

Using smallest needles, loosely cast on 95 stitches. Work in garter stitch (knit every row) for 4" [10 cm]. • Change to next larger size and work for 1 inch [2.5 cm]; repeat from • until you are working with largest needles. Work even until piece measures 10 inches [25.5 cm]. Bind off very loosely.

#### Finishing:

Sew sides together to form tube. Work in ends.

**Fringe:** (optional) Cut 96 12 inch [30.5 cm] lengths of Incredible for fringes. Attach 2 fringes to every other bound off stitch as follows: Fold in half and using crochet hook, pull through bind off loop. Pull ends through loop. Trim fringes as necessary.
