GAUGE:

24 sts + 33 rows = 4 in. (10 cm) in St st (k on RS, p on WS) using larger needles. BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you less stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

kfb (knit in front and back) Knit next st without removing it from left needle, then k through back of same st - 1 st increased.

pfb (purl into back and front) Purl next st without removing it from left needle, then p through front of same st - 1 st increased.

skp Slip 1 as if to knit, knit 1, pass slip stitch over knit stitch - 1 st decreased.

ssp (slip, slip, purl) Slip next 2 sts as if to knit, one at a time, to right needle; pass them back to left needle; purl them together through back loops - 1 st decreased.

3-Needle Bind Off With RS together, hold in one hand, 2 needles with equal number of sts on each. With 3rd needle, knit together 1 st from each needle, *knit together 1 st from each needle, pass first st worked over 2nd to bind off, repeat from * across. Cut working yarn and pull through last st to secure.

NOTES:

1. Shrug is made in 2 pieces: an Upper Half and a Lower Half. Each half consists of half of each sleeve and a center section. The center section of the Upper Half forms the shoulders and collar. The center section of the Lower Half forms the back and sides.
2. The Upper and Lower Halves are joined along the long straight edges. A 3-needle bind off is used to provide stability. Cuffs are then worked across the end of each sleeve, and the side and sleeve seams sewn. The shorter straight edges of the Upper and Lower Halves form the front opening.
