GAUGE:

8 stitches + 6 rows = 4" [10 cm] in single crochet with 1 strand each of Fun Fur and Trellis held together. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

Making a Gauge Swatch

NOTES:

Scarf is crocheted with 1 strand of Fun Fur and 1 strand of Trellis held together throughout.

Scarf

With 1 strand of Fun Fur in color A and 1 strand of Trellis, chain 6 stitches.

Row 1 Single crochet in 2nd chain from hook and in each chain across; turn – 5 single crochets.

Row 2 Chain 1, single crochet in each single crochet across; turn.

Repeat Row 2 until piece measures 18 inches [45.5 cm] from beginning.

Next Row Drop A and, with B and Trellis, chain 1. Single crochet in each single crochet across; turn.

Continue in single crochet until piece measures 36 inches [91.5 cm]. Fasten off. Weave in ends.

Fringe

Cut 40 pieces of Trellis, each 16 inches [40.5 cm] long. For each fringe, hold 4 strands of yarn together and fold in half. Use crochet hook to draw fold through edge of Scarf, forming a loop. Pull ends of fringe through this loop. Pull to tighten. Make 5 fringes along each short side. Trim fringe if necessary.
