BAG

For each spiral, cut a length of Moonlight Mohair approximately 4" [10 cm] long. Spread a thin layer of glue in the desired place on the Bag and glue one end of yarn in center. Form a spiral by wrapping remainder of yarn around the first end, then continuing around, adding more glue when necessary. Beginning at top edge of Bag, work in Spiral Pattern as follows: work rows 1-4 once, work rows 1 and 2 once more. Allow to dry and repeat on other side of Bag if desired.
