GAUGE:

6 stitches + 10 rows = 4 in. [10 cm] in Garter stitch (knit every row). When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

Making a Gauge Swatch

RUG

With 2 strands of A and 2 strands of B held together, cast on 26 stitches. Work in Garter stitch (knit every row) until piece measures 25 in. [63.5 cm] from beginning. Bind off.

FINISHING

Weave in ends.
