GAUGE:

1 Granny Square = 6 x 6 in. (15 x 15 cm). BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you less stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

Popcorn Work 5 dc in indicated st, remove hook from loop, insert hook into first dc of 5-dc group, insert hook back into original loop and draw loop through first dc.

NOTES:

- 1) To change color at end of a rnd, work joining sl st as follows: insert hook in joining st, yarn over with new color, draw through loops on hook to complete sl st. Cut old yarn leaving a long tail, and gently pull both yarn ends to tighten. Weave in tail of old yarn.
- 2) Follow Color Sequence to work squares, changing colors every rnd.
