GAUGE:

Square = 10 x 10 in. (25.5 x 25.5 cm). BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you less stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

NOTES:

- 1) Blanket consists of 20 Squares. Make each Square following instructions for Basic Square, using colors indicated in color sequence.
- 2) To change color, work last st until 3 loops remain on hook, yarn over with new color, and draw yarn through all loops on hook to complete stitch.
- 3) For ease in assembly, label squares as you finish each.
