GAUGE:

16 single crochet = 4 in. (10 cm). EXACT GAUGE IS NOT ESSENTIAL FOR THIS PROJECT. BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you less stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

NOTES:

To change color, work last stitch of first color until you are ready to make the last yarn over. Yarn over with new color, pull new color through all loops on hook to finish making the stitch. Carry yarn not in use along the side of your work.

STRAP WRAP (make 2 for each flip flop)

With A, chain 7.

Row 1: Single crochet in 2nd chain from hook and in each chain across - 6 single crochet.

Row 2: Chain 1, turn, single crochet in each stitch across. Change to B.

Rows 3 and 4: Chain 1, turn, single crochet in each stitch across.

Continue working in single crochet, alternating 2 rows A with 2 rows B until piece is the same length as one side of strap. Fasten off, leaving a long yarn tail.

FINISHING

Fold Strap Wrap over each strap and sew together using yarn tails. Use Pom pom maker and 1 strand each of A and B to make 2 pompoms. Sew pompom onto Wrap. Weave in ends.
