MATERIALS

- Lion Brand Crochet Hook Size I-9
- Lion Brand Stitch Markers
- Large-Eye Blunt Needles (Set of 6)

GAUGE:

12 sts + 6 1/2 rows = 4 in. (10 cm) in dc. BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you less stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

NOTES:

Sweater is made in two halves. The halves are sewn together at the center of front and back.
Each half begins with a circle at the elbow and is worked outwards.

3) On one side of the Elbow Circle, rows are worked to form the lower section of the Sleeve. On the other side of the Elbow Circle, rows are worked to form the upper section of the Sleeve. 4) When the Sleeve is complete, the first row of Half Body is worked in rows beginning at center of last row of upper section of Sleeve, around first half of last row of Sleeve to underarm, up other half of last row of Sleeve back to center of last row of upper section of Sleeve. Work proceeds in rows on these stitches, the ends of the rows form the shoulder, neck and center (front and back) edges.
