GAUGE:

16 single crochet + 18 rows = 4 in. (10 cm). BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you less stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

NOTES:

Change color when joining a round. To join and change color, insert hook in first single crochet of round, yarn over with new color and draw through all loops on hook; drop, but do not cut old color. Carry color not in use loosely up inside of piece.
