HANGER

Knot A onto hanger. At the base of the hanger hook, single crochet around the hanger all the way until you reach the other side. Fasten yarn. Wrap yarn around the base of the hook to cover it (in a fan shape) and continue to work single crochet up and around the hook. At the tip of the hook, work three chain stitches and single crochet in each chain stitch. Cut yarn leaving a long end and sew the three single crochet stitches around the tip of the hook to cover it. Weave in end.

Thread B into large-eyed blunt needle. Beginning at first chain stitch edge, wrap yarn around threading through every 10th chain stitch, all the way around and up around the hook. Fasten off and weave in end.

With C, work same as B except thread through every 5th chain stitch all the way around and up around the hook.

Tie ribbon into bow around the base of the hook.
