GAUGE:

14 single crochet = 5 in. (12.5 cm).

BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you less stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

NOTES:

To change color work last stitch of old color to last yarn over, yarn over with next color and draw through all loops on hook to complete stitch.
