GAUGE:

16 sts + 24 rows = 4 in. (10 cm) in St st (k on RS, p on WS) using larger needles.

BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you fewer stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

M1 (make 1) An increase worked by lifting the horizontal thread lying between the needles and placing it onto the left needle. Work this new stitch through the back loop.

ssk (slip, slip knit) Slip the next 2 sts as if to knit, one at a time, from the tip of the left needle to the tip of the right needle; insert the left needle into the fronts of these 2 sts from the left and k them tog from this position to dec 1 st.
