GAUGE:

12 sc + 14 rows = 4 in. (10 cm). BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you less stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

Blanket Stitch: Working from left to right, bring large-eyed blunt needle from back to front approximately 1/2 in. (1.5 cm) from edge of work. Bring needle around and insert from front to back, catching yarn to form a "corner."

NOTES:

Yarn amount is sufficient for 3 blocks.

SQUARES (make 3 each in A, B, C, D, E, and F)

Ch 25.

Row 1: Sc in 2nd ch from hook, and in each ch across.

Row 2: Ch 1, skip 1, sc in each st across.
Repeat Row 2 for a total of 22 times.
Fasten off. Weave in ends.

FELTING

Wash squares by machine on a hot wash/cold rinse cycle with detergent and several pieces of clothing to agitate. Remove from dryer and pull each piece into shape. Allow to dry.

FINISHING

Use one square of each color to make each Block. With G and working through both thicknesses, blanket st Squares together along edges. Before sewing last edge, stuff Block with fiberfill.
