TASSEL (make 5 for each Necklace)

Wrap a strand each of A and B (C and D) around cardboard 5 times. Cut a length of A (C) and thread doubled into large-eyed blunt needle. Insert needle under all strands at upper edge of cardboard. Pull tightly and knot securely near strands. Cut yarn loops at lower edge of cardboard.

Cut a length of A (C) and wrap tightly around loops 1 in. (2.5 cm) below top knot for Tassel neck. Knot securely; thread ends onto needle and weave into Tassel.

ASSEMBLY

Cut 3 lengths of A (C), each 32 in. (81.5 cm) long.

Knot lengths together at one end. Beginning a few inches from knot, braid strands to within a few inches of remaining end, knot this end of strands.

Pull braided length through top knot of Tassels. Loop ends of braided length together, secure by knotting onto braided length.

FINISHING

Trim Tassel ends evenly.
