GAUGE:

16 sts + 24 rows = 4 in. (10 cm) in St st (k on RS, p on WS) using larger needles. BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you less stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

ssk (slip, slip, knit) Slip next 2 sts as if to knit, one at a time, to right needle; insert left needle into fronts of these 2 sts and knit them together.

NOTES:

- 1) Sleeves are knit first, then the body of the coat is worked in one piece, beginning at the lower edge of the body. The sleeves and body are joined to work the yoke.
- 2) Circular needle is used to accommodate large number of sts. Work back and forth on circular needle as if working on straight needles.
