GAUGE:

1 Granny Square = 4 x 4 in. (10 x 10 cm) BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you less stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

NOTES:

To change color at end of rnd, work joining sl st as follows: insert hook in joining st, yarn over with new color, draw through all loops on hook to complete sl st.
