GAUGE:

25 sts = 4 in. (10 cm) in Garter st (k every row). BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you less stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

Kfb (k in front and back) Knit next st without removing it from left needle, then k through back of same st – 1 st increased.

NOTES:

1. Scarf is shaped by working short rows: knitting across only some of the sts and leaving the remaining sts unworked at the end of specific rows.
2. Do not cut yarn between color changes.
