DOLL

Wrap A around cardboard 26 times. Cut a length of A, and thread doubled into large-eyed blunt needle. Insert needle under all strands at upper edge of cardboard. Pull tightly and knot securely near strands. Cut yarn loops at lower edge of cardboard. Cut a length of B and wrap tightly around loops 1 1/2 in. (3.5 cm) below top knot for neck. Knot securely; thread ends into needle and weave ends to center of Tassel. Separate 6 strands on each side of Tassel for arms. Divide strand on one side into 3 groups of 2 strands each. Braid for about 2 in. (5 cm). Wrap ends with a length of B, then trim just below wrap. Repeat for second arm.

Divide 6 strands from inside Tassel into 3 groups of 2 strands each for leg. Braid for about 2 1/2 in. (6.5 cm). Wrap ends with a length of B, then trim just below wrap. Repeat for second leg.

Wrap remaining strands of Tassel loosely with a strand of B about 1 1/2 in. (3.5 cm) below neck to make waist.

FINISHING

With B, embroider straight stitch eyes.

Trim Tassel ends evenly so legs show.

Cut 6 strands of B, each about 6 in. (15 cm). Knot together at one end. Divide into 3 groups of 2 strands each and braid. Wrap braid around head. Thread a length of B into blunt needle and sew ends of braid to back of head.
