1. With a strand of yarn, measure comfortably around your waist and add 48 inches. Cut.
2. Cut four more pieces of yarn the same length.

3. Thread all five pieces through the right opening of a concho and position the concho in the middle of the yarn.

4. Slide two beads onto the center piece of yarn. If it is hard to get the yarn through the bead, pushing it with a toothpick can prove helpful.

5. Thread all yarn through the left opening of the concho.

6. Thread one bead on each strand of yarn.

8. Tie a knot in each end of the yarn about two inches [5 cm] from the last concho.
9. Thread one bead on the end of each strand of yarn. Tie enough knots below it that the bead won't be able to come off the fringe.
10. Wear and enjoy the compliments!
