Fold square in half and stitch as shown

Tie the yarn 'tail' onto the trailing end of the yarn.
Knot it well.

Turn the fabric and open it -- it will be a cone. Put the
catnip into it and pack it down.

Fold down top flap and sew
the open edges shut.

Stitch from here to here

Fold down the flap at the top of the cone, tucking the
ends of the yarn inside the mouse and leaving the tail
hanging out. Sew the open edges closed.

To put eyes on the mouse, pull the crochet hook all the way through the mouse's 'head' and use it to pull the black and white yarn through together. Tie it off securely on one end (use several knots). Pull it tight and tie off on the other end (use several knots). Trim closely.

Tie a tuft of extra fun fur at the end of the mouse's tail.
